

Make Things Possible

Summer Analyst Internship Securities Division – Equities Sales (Seoul)

ABOUT GOLDMAN SACHS

The Goldman Sachs Group, Inc. is a leading global investment banking, securities and investment management firm that provides a wide range of financial services to a substantial and diversified client base that includes corporations, financial institutions, governments and individuals. Founded in 1869, the firm is headquartered in New York and maintains offices in all major financial centers around the world.

ABOUT OUR SECURITIES DIVISION

Our core value is building strong relationships with our institutional clients, which include corporations, financial service providers, and fund managers. We help them buy and sell financial products on exchanges around the world, raise funding, and manage risk. This is a dynamic, entrepreneurial team with a passion for the markets, with individuals who thrive in fast-paced, changing environments and are energized by a bustling trading floor.

ABOUT EQUITIES SALES

The Delta One Sales desk often acts at the primary contact point for the largest clients in the equities division. The role of a Salesperson is to establish and maintain relationships with Portfolio Managers and buy-side analysts. On a daily basis, an institutional sales professional will pitch stock ideas/IPOs/follow-ons, answer client questions, set up and participate in conference calls with Goldman Sachs Research analysts, and arrange management meetings with clients. Based in Seoul, this role will mainly focus on clients who invest in Korea Equity Markets, including foreign institutional investors and selected leading local institutional investors.

REQUIRED QUALIFICATIONS

- Availability to join a 10 week full time internship from June to August 2019
- Final year student with an excellent academic record
- Good attention to detail
- Ability to multitask
- Hard working and strong willingness to learn
- Excellent communication, interpersonal and presentation skills
- Strong skills in Excel spreadsheet analysis
- Fluency in written and spoken Korean and English
